Soprano Style

Yeah, there are lots of great shows premiering this month, but we'd be lying if we didn't admit to longing for *The Sopranos* and its incredible writing, wild action, and, of course, Tony. Love him or hate him, one thing's for sure: Tony Soprano always looked stylish no matter what he was, um, doing. And while it's true we can't resurrect the show, we can bring this [mobster's cool style](#) to life.

Introducing the "Gandolfini"

With its bold red stripes against sophisticated black, [this shirt](#) is made for the sharp-dressed man, no matter what his day job is. Wear it out on the town or while you're hanging with your crew. The light-weight polyester means you'll be as comfortable as you are cool. [Monogram it](#) to add even more personality.

Can We Get to 300 By Week's End?

Disclaimer: Remember, act responsibly. We're not endorsing the actions of real-life mobsters, just the sleek looks made famous by *The Godfather*, *Goodfellas*, and Mr. Tony Soprano.
